CLAYFIELD COLLEGE

Clayfield College is a place where all individuals are valued for their unique qualities and talents. Our academic, pastoral and co-curricular programs, supported by our exceptional teaching staff, are essential in providing opportunities for your child to grow and develop in mind, heart, body and spirit.

Clayfield College is one of Australia's leading schools, providing a tradition of quality education. The College has a proud history of offering a Christian learning environment in which students are encouraged, nurtured and inspired to achieve personal excellence.

Clayfield College welcomes students from all over Australia and the world. It is co-educational from Pre-Prep to Year 6 and girls only from Year 7 to Year 12. The College is also a Boarding School for girls, caring for students from Years 5 to 12, on a daily, casual, weekly or term basis. Clayfield College has developed a proud tradition of boarding since 1939, enriching the lives of generations of young girls and affording them the opportunity to develop lifelong friendships.

The College is located in the beautiful inner-northern Brisbane suburb of Clayfield. International senior students receive approved leave from the boarding house (younger students are accompanied by a supervisor) to enjoy visits to the central city area (only 6.5 kilometres from the college). The Citytrain network is situated close by and the College is centrally located to buses. Every weekend there are boarding house excursions to theme parks, beaches and many other activities planned.
